NEW STUDENT ORIENTATION

Welcoming New Beginnings

On July 11th, Sophos School Indonesia joyfully welcomed its new students with a warm and lively orientation day. Smiles and greetings filled the entrance as teachers and student representatives guided everyone through the school, helping them feel right at home. Fun games and classroom-inspired activities brought laughter and new friendships, while a presentation by Sophos students and teachers introduced the heart and spirit of the school. By the end of the day, our new students walked away feeling welcomed, confident, and excited to begin their journey at Sophos.

FIRST DAY OF SCHOOL

A Joyful Beginning to a New Year

July 14 marked the first day at Sophos School Indonesia, filled with excitement as students gathered for a fresh start. Homeroom activities included creating classroom agreements, where students discussed values like respect and growth mindset. After fun ice-breaking sessions, students enjoyed demos of various clubs and activities, from Digital Art to Taekwondo. The day ended with students participating in a school tour, a lively beginning to the academic year.

CAMPUS TOUR

Universitas Prasetya Muliya & Pradita University

Upper secondary students of Sophos School Indonesia visited Universitas Prasetya Mulya at the end of July as part of their learning journey. They explored the campus, learned about its founding trustees, and gained insight into university life through a guided tour. In mid-August, they continued their exploration at Pradita University, traveling by bus after a group prayer. There, students toured classrooms, viewed a presentation from a university staff member, visited the library and meeting rooms, and took a photo with the campus mascot. These visits offered valuable exposure to higher education and encouraged students to reflect on their future academic paths.

INDONESIA INDEPENDENCE DAY

A Day of Pride, Culture, and Community Spirit

Sophos School Indonesia celebrated Independence Day on August 19th, 2025, with a day of patriotic activities for secondary students. The program included a flag ceremony, traditional games like relay races, cracker-eating, tug of war, and creative contests. In the afternoon, student performances energized the crowd, competition winners were announced, and the day ended with a photo contest. The celebration highlighted unity, creativity, and national pride.

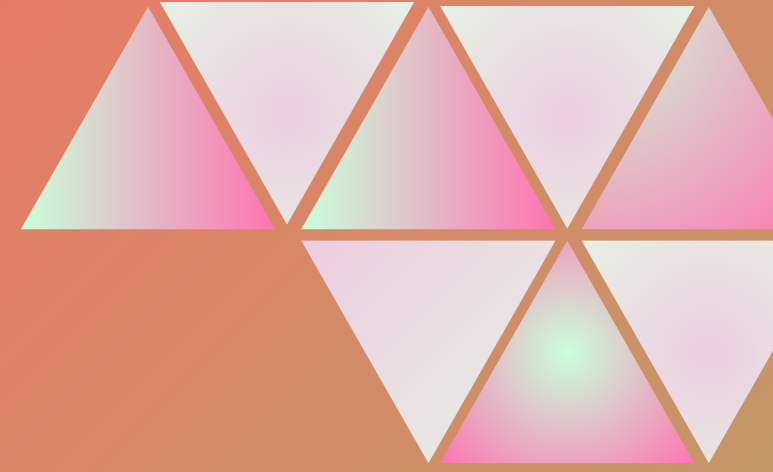

STUDENT COUNCIL ELECTION

Sophos School Indonesia recently held its Student Council Election for the new academic year. From August 11–14, candidates actively campaigned with posters around the school. On August 15, they presented their vision, mission, and programs, followed by a voting session. The final results: Evansyah Bastomi was elected President, Nathania Stella Lie as Vice President, and Annastacia Pericita Kaunang as a council member. The school community is excited to see their contributions to student life.

PARENTS SHARING SESSION

On September 12, 2025, Sophos School Indonesia held a Parents Sharing Session featuring guest speaker **Dr. Elizabeth Clarissa Palar, MD, S.Si**. She shared insightful tips on building a healthy lifestyle through balanced nutrition, regular exercise, and positive daily habits. Parents engaged actively in the discussion, gaining practical guidance to support their families' well-being.

PRESCHOOL MINI FIELDTRIP

As part of our thematic learning program, Sophos School Indonesia held a Mini Field Trip to AEON Supermarket BSD on 26–27 August 2025. Over two days, preschool students explored healthy shopping by selecting and buying items themselves. The highlight was a donut decorating activity, where children expressed creativity and practiced life skills like independence, following instructions, and teamwork. It was a fun and educational experience that helped build confidence in a real-world setting!

PRESCHOOL FAMILY PROJECT

Healthy Me, Healthy Family, Healthy Earth

Preschool students of Sophos School Indonesia recently held a Family Project with the theme “Healthy Me, Healthy Family, Healthy Earth” from 15 to 19 September. Together with their parents, the children created beautiful artworks that reflected the importance of healthy living and caring for the environment. The project culminated in a heartwarming performance, where the preschoolers confidently presented in front of their families, showcasing creativity, teamwork, and joy.

PRIMARY LIFESKILLS COMPETITION

Little Hands, Big Things

Primary students of Sophos School Indonesia took part in a fun and meaningful Life Skills Competition on 22–23 September, where they showcased their ability to perform everyday tasks with confidence and independence. The activities included folding clothes, cracking eggs, cooking corn, tying shoes, and many more—all designed to help students develop practical skills while building responsibility and teamwork. The event was filled with enthusiasm, laughter, and valuable learning experiences that will benefit the students beyond the classroom.

SECONDARY SPORTS DAY

Building Strength and Unity through Sports

Secondary students of Sophos School Indonesia enjoyed an exciting Sports Day on 22–23 September, filled with energy, teamwork, and school spirit. The event featured a variety of activities, including basketball and futsal competitions, chess matches, and many fun mini games. Students showcased their skills, built camaraderie, and celebrated the importance of staying active while enjoying friendly competition. It was a day of sportsmanship, laughter, and lasting memories.

PRIMARY & SECONDARY ANBK

Asesmen Nasional Berbasis Komputer

Students from both the Primary and Secondary levels at Sophos School Indonesia recently participated in the Asesmen Nasional Berbasis Komputer (ANBK) on 24–25 September. This national assessment aims to evaluate students' literacy, numeracy, and character development while also providing valuable insights into the quality of learning in schools across Indonesia. With guidance from their teachers, students approached the assessment with focus and confidence, making it a meaningful step in their academic journey.
